

## **VRA Core 4.0 Copyright and Licensing Information**

The VRA Core 4.0 schemas and supporting documentation are copyrighted by the Visual Resources Association, are made available on the Library of Congress Web site (<http://www.loc.gov/standards/vracore/>), and are licensed under a Creative Commons Attribution 3.0 License (<http://creativecommons.org/licenses/by/3.0/>) pursuant to the terms outlined below.

### **DOCUMENTATION**

If you would like to incorporate the VRA Core 4.0 supporting documentation into your publication, you are required to include the following in ALL copies of the document, or portions thereof:

VRA Core 4.0 documentation Copyright (c) 2007 Visual Resources Association (VRA). The VRA Core 4.0 schemas and documentation are licensed under a Creative Commons Attribution 3.0 License.

We also request that any citation or reference to the VRA Core schemas and/or supporting documentation include the VRA Core 4.0 document's title, publication date of the VRA documentation, and a URL referencing the VRA Core 4.0 documentation, so that others can easily find the original materials.

E.g. VRA Core 4.0 Element Outline, published 2/28/07,  
[http://www.loc.gov/standards/vracore/VRA\\_Core4\\_Outline.pdf](http://www.loc.gov/standards/vracore/VRA_Core4_Outline.pdf)

### **SCHEMAS**

If you would like to incorporate the VRA Core 4.0 schemas into your software, you are required to include the following attribution when distributing or publishing your work:

Portions of this software use VRA Core 4.0 schemas Copyright (c) 2007 Visual Resources Association (VRA). The VRA Core 4.0 schemas and documentation are licensed under a Creative Commons Attribution 3.0 License.

Whenever possible we request that you also include links to the official site for the VRA Core schemas (<http://www.loc.gov/standards/vracore/>) and to the Creative Commons Attribution 3.0 license (<http://creativecommons.org/licenses/by/3.0/>) accompanying the above attribution.
